Financial Policy

At Zen Triangle Dentistry we want all of our clients to be able to comfortably afford dental care. We proudly offer the following financial policies so that our clients have the opportunity to decide which payment option is best for their needs.

Insurance: Your insurance is a contract between you, your employer, and your insurance company. Zen Triangle Dentistry will gladly work with you to help you get the maximum benefit available to you. Most insurance plans do not cover 100% of the treatment cost. Because of this, we ask that you pay your deductible as well as your ESTIMATE co-pay for the charges on the day services are rendered. We will estimate your coverage as closely as possible, but can make no guarantees as to what your insurance will pay. We understand that dental benefits are important to our clients. After all treatment, we will promptly file and follow up on your dental claims to ensure that your receive the correct maximum benefits. We offer several financial options for your portion of diagnosed treatment so that your care is not compromised due to financial concerns.

Payment Options

- 1. Cash or Check (There is a \$35 fee for all returned checks)
- 2. MasterCard, Visa, Discover, or American Express
- 3. Care Credit: A convenient line of credit can be arranged, on approval, for your health care needs. Interest free plans are available.

Our Appointment Policy

Because we reserve time specifically for you, it is vital that we receive appropriate notice for cancellations. If you find that you are unable to keep an appointment, please call our office 48 hours in advance. Appointments not cancelled within 48 hours, or no-show appointments will be charged a \$75 fee for doctor appointment and \$35 for hygienist appointment. For larger, more extensive appointments, a 25% reservation fee will be collected at the time the appointment is reserved. This amount collected will be put towards your treatment balance. We understand that circumstances may arise when an appointment may need to be rescheduled. Please make all attempts to do so within 48 hours. Unfortunately, due to expenses we acquire in preparing for your larger cases, the 25% cannot be returned if the appointment has to be cancelled and not rescheduled.

Consent for Services

As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care and financial responsibility on the part of each patient must be determined before treatment.

However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company.

A service charge of 1½% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied.
